

Kansas House of Representative – 13th District

Dr. Duane Droge, Republican

Occupation: Veterinarian/Retired

Number of Years in District:

I have been in Eureka over 40 years, I came to Eureka right out of Vet school and began a practice. I sold Droge Animal Health Center 5 years ago and retired.

What prompted you to run as a candidate for Kansas House of Representatives?

In December of 2022 I was asked to fill the vacated position left by Joe Newland when he was elected Farm Bureau President. I wanted a conservative voice in that position. I entered the 2023 session two weeks later. I want to be reelected to help the people in my district and the state to get intelligent conservative governance.

What top issue concerns you the most about the current political climate in Kansas?

The anacronyms such as DEI (diversity equity and inclusion) ESG (environmental, social and governance) and other initials that are polluting our society. The liberal encroachment into our government and education needs to be reversed. The first amendment, the second amendment, illegal immigrants, upholding the constitution.

What are your 3 top priorities?

1. Reduce property tax
2. Reduce spending by the state
3. Less government interference.

What do you think sets you apart from the other candidates?

Maybe conservatism

If people would like more information, can they find you on social media, and if so, how?

I am not on social media. Email me at docdrogedvm@gmail.com

Anything else you would like the citizens of your district to know about you?

I would like them to know that EVERYONE NEEDS TO BECOME POLITICAL FROM THE TOWNSHIP LEVEL ON UP. BECOME ACTIVE, PARTICIPATE AND LET'S PUT OUR STATE AND OUR NATION ON THE RIGHT TRACK!!!!

Thank You,
Duane Droge
